Benefit Game To Be Played Mar. 13

A benefit basketball game between the Pahokee High School faculty and the varsity team will be played in the local gymnasium Friday, Mar. 13, starting at 8 p. m.

Tickets will be 50 cents for students and \$1 for adults with proceeds to go toward the purchase of a trampoline for use in the high school physical education classes and in the summer recreation program at the Pahokee city park.

Both the public and the students are showing considerable interest in this game and are anticipating a hard-fought contest between the older unconditioned faculty team which boasts of two ex-college basketball stars and the young varsity team which has just completed its season's schedule and is in the pink of condition.

Coach Webb Pell, who will play right guard position on the faculty team, was on the varsity basketball team while attending Marshall College and Principal Clyde A. Canipe, who towers well above the six-foot mark and starred on the Appalachian College Five and on service teams while in the Armed Forces, will play center for the faculty.

Other members of the faculty team will include Coach Bill Howard and Herbert Miller, forwards, and Coach Leland Keene, left guard.

The Blue Devil varsity will probably start Goodson and Levins or Elliott at forward positions; Sims center, Mullis and Caranante, guards.

3 Injured In Car Accident Sunday

Three persons were injured and two cars were wrecked in an accident on East Main Street in Pahokee in front of the high school building early Sunday morning before dawn.

Herman Edwin Grant, a truck driver from Winchester, Tenn., accompanied by Berry Fults, also of Winchester, was driving a 1941 Dodge sedan driven by Elbert Ogle of the Pahokee Labor Camp who was accompanied by Dawson Spurgeon, owner of the car, a semi-invalid, according to Pahokee police officers who investigated.

The three injured men, Fults, suffering a broken nose, Spurgeon, lacerations on the head, and Grant, a split tongue and bruises, were taken to the Everglades Memorial Hospital where they received treatment and were released.

Seymour Mintz, vice president of Admiral Corporation, credits expanded newspaper advertising for putting Admiral in first place in television sales.

Water is said to flow from famed Silver Springs at the rate of 362,500 gallons every minute. This flow forms a large river sufficient in size to float large steamboats.

Art Classes To Present Program

Students of Mrs. Margaret Earwood's art classes at Pahokee Schools will present the program at the March meeting of the Pahokee Parent-Teacher Association in the high school auditorium Monday, Mar. 9, at 8 p. m. according to Mrs. George Arceneaux, program chairman.

On display in the corridors on the first floor of the high school building and in the school library will be an exhibit of the art work of both high school and elementary school art students.

The high school art students will present a playlet, "Portraits by Whistler," and the girls of the high school art classes will act as hostesses during the serving of punch in the patio of the high school building. All parents and friends are urged to attend.

Proceeding the program, Mrs. Paul Sasser, president, will preside at the business session.

Blue Devils Close Basketball Season

The Pahokee Blue Devils completed their 1953 basketball season Wednesday night when they were eliminated, 58-40, by the Vero Beach Indians in the first round of the annual Suncoast Conference basketball tournament. Guard Danny Mullis led the Blue Devils in individual scoring in tournament play with six field goals and one free throw for 13 points. Robert Goodson was a close runner-up with 12 points and Benny Sims was third with eight points.

The Blue Devils finished the season in seventh place in the Suncoast Conference standing. During the season they lost 10 games and won five, two from Okeechobee and one each from Belle Glade, Clewiston and Seacrest.

Guard Danny Mullis was outstanding in individual scoring on the Blue Devil team, placing third in the conference with an average of 17.25 points per game in conference play. Mullis set a Suncoast Conference record in free throws when he looped 15 in one game at Fort Pierce the night of Jan. 15. That night the Pahokee team also set a record of total free throws for a conference team by making 28 free throws good.

Singing Convention To Sponsor Concert

The Glades Singing Convention will sponsor a concert in the Belle Glade High School auditorium Friday, Mar. 6, starting at 8 p. m.

The concert will feature the gospel singing of the Gospel Harmony Quartet of Lake Worth, the Upthegrove Quartet of the Glades area and the Pilgrim Trio. In addition, there will be vocal solos and duets and instrumental numbers on the piano and guitar, according to Elmer Upthegrove of Pahokee, president of the Glades Singing Convention.

Cutbacks in defense production, shortages of materials and recent steel strikes have reduced the nation's anticipated generating capacity of power companies.

Canal Point PTA Hear Band Concert

Members of the Canal Point Parent-Teacher Association at the March meeting conducted in the school auditorium Monday night voted to assume as a project the rebinding of books in need of repair at the school library and volunteer workers were asked to meet at the school Monday Mar. 9 at 1 p. m. to assist with the binding of the books.

Mrs. R. T. Smith, president, who presided, named Mrs. O. H. Chastain, Mrs. J. E. Williams and Mrs. C. L. Livingston on a committee to nominate new officers and report at the next meeting.

Mrs. Pope Sears, luncheon chairman reported 50 free lunches were served to underprivileged children at the school luncheon during February. Mrs. Osceola Upthegrove read the State president's message.

The monthly attendance award was won by Mrs. Cadri's Second Grade Room.

The program featured a concert by the Pahokee High School Band under the direction of Bandmaster Robert O. Lampi. One of the eight numbers played was directed by Miss Lynn Shirley, student conductor.

On the hostess committee in charge of the serving of refreshments at the conclusion of the program were Mrs. A. H. Scruggs, Mrs. J. E. Williams, Mrs. W. A. Scott, Mrs. W. N. Neal, Mrs. C. H. Hitchcock, Mrs. P. G. Frierson, Mrs. Wade Ammons, Mrs. C. J. Smyly, Mrs. O. H. Chastain, Mrs. L. P. Turbeville and Mrs. Angus Sims.

Pilot Escapes From Plane Crash Wed.

Jack Phillips miraculously walked away uninjured from the wreck of his Stearman crop-dusting bi-plane following a crash in one of O. B. McClure's fields in the Bacom Point area around 6:30 p. m. Wednesday.

Phillips, with a full load of 1,000 pounds of dust in his plane had started to dust one of C. L. Wilder's corn fields and was making a down wind turn at an altitude of around 100 feet when the plane stalled and dropped to the ground. The plane was a complete wreck but luckily did not catch on fire.

Rev. Robert Ford Is Lions Guest Speaker

The Rev. Robert Ford, pastor of the Everglades Presbyterian Church of Belle Glade, was guest speaker at the Tuesday luncheon meeting of the Pahokee Lions Club. The subject of his talk was "The Spiritual Basis of Communism."

It was reported the old Lions Club Hall and lot on which it stands has been sold for \$3,000 to the Bank of Pahokee which adjoints it on the west.

Mrs. W. H. Key resigned as caterer to the club for its weekly luncheons. Ralph Stanley, house chairman, was instructed to name a new caterer to succeed Mrs. Key.

Kepp Home Started In Canal Point

With the driving of the foundation underpiling, construction was started Monday on the new \$30,000 residence of Mr. and Mrs. Donald Kepp in Canal Point, which when completed will be one of the most modern and beautiful homes in the entire Glades area.

The new Kepp home, located across the street from the residence of Mr. and Mrs. W. L. Duncan, will contain two bedrooms, two bathrooms, a living room, a kitchen and breakfast nook, and in addition, it will have a library and a special Florida room.

It will be of concrete block construction with smooth cement finish, brick trim and fireplace. Chester A. Cone of Miami is the architect and Joe Cassellus of Belle Glade, the contractor.

Mr. Kepp is associated with the Chastain Company Brokerage firm of Canal Point.

Judy Starling Is '53 FFA Sweetheart

Miss Judy Starling, Pahokee High School sophomore, was crowned Pahokee FFA Sweetheart of 1953 at the fourth annual FFA Sweetheart Dance for high school students given by the Pahokee Chapter, Future Farmers of America, in the community hall at Canal Point Friday night. The new sweetheart, who reigned as queen of the dance, was crowned by Miss Carol Carpenter, FFA Sweetheart of 1952. She was presented with a 21-jewel Elgin watch and the traditional sweetheart jacket as gifts from the chapter.

Runners-up in the contest to name the 1953 sweetheart were the Misses Norma Gant, Patty Izzi, Pat Crady and Pat Kumer, who served as attendants to the queen. Each received an identification bracelet as a gift from the chapter. Eugene Buchanan, chapter president, acted as master of ceremonies.

The chapter received \$416 as proceeds from the contest which was used to finance the dance and the remainder to go into other FFA projects. Miss Starling received 25,200 votes at a penny a vote to win the honorary title.

Work To Be Resumed On New Church

The Canal Point Methodist Church will resume work on its new sanctuary and Sunday School extension within a few weeks. The jalousied windows have arrived and are ready for installation, which will be followed by installing molding, plastering and completing the roof. Then the interior work will be done on the floors, platform and lighting. The pulpit furniture has arrived, as has a new piano-organ. The furniture is the gift of the Woman's Society of Christian Service, and the organ, the gift of Mrs. Harold Rosenberg. Much of the finishing work will be done by the men of the church, as soon as the pressure of farm work is over. The cornerstone has arrived but the date has not yet been set for the official laying of the cornerstone, nor the dedication of the new building.

Exhibits Viewed By Large Crowds

The crowds attending the Pahokee Fair at the Legion grounds on Canal Point Road this week are viewing many interesting and educational exhibits in the Legion Hall and the main display tent.

Among the outstanding educational exhibits is the one being shown by the Central and Southern Florida Flood Control District, consisting of a large 5 by 12-foot colored table map of South and Central Florida showing in detail the overall federal flood control plan.

Among the commercial exhibits some of the newer appliances, such as the automatic ice cube maker for hotels, which is being shown in Pahokee for the first time, are attracting considerable attention.

The Pahokee Chamber of Commerce has an attractive booth near the entrance of the main tent and there are displays by the Pahokee Chapter, Future Farmers of America and the Boy Scouts of America.

Among the exhibitors are Pahokee Mill and Supply Co., Florida Power and Light Company, Glades Mercantile Co., Boer's, Herman's Radio and Electric, Western Auto Supply Co., Elliott Motors, Lake Shore Radio, Glades Photo Shop, Glades Equipment Co., Bert Roemer Motors, Glades Chemical Co., Philo B. Williamson, painter and paperhanger, Geiger Lumber Co., Coastal Motors and Equipment Pure Oil Co., Richmond Plumbing Co., Glades Appliance Corp., U. S. Sugar Corp., Shirley Brothers Co., Sadie's Flower Shop and others.

The Fair will continue through today and end at midnight Saturday night.

Band Members Awarded Letters

Members of the Pahokee High School Band who have participated in district and State Band contests for two or more years were awarded school band emblem letters by Bandmaster Robert O. Lampi during the high school assembly period Friday.

Those receiving large letters designating three or more years of participation were Lynn Shirley, Roberta Hatton, Carol Carpenter, Calvin Padgett and George Scruggs, five years; Alden Chase, Frances Wilson, Don Adams, Jacqueline Scruggs, Donna Gail Jensen, Lewis Collins and Carolyn Scruggs, four years; Philip DuLany, Edgar Elliott, Bonnie Miller, Phoebe Ann Ramey, John Rogers, Jimmy Rozelle and Eleanor Walker, three years.

Smaller letters designating two years of participation in band contests were presented to John Williams, Martha Culbertson, Val Galbaldon, Melba Pugh, Judy Starling, Rose Marie Henderson, Bobby Howell, Jeannie Platt, Fred Blakey and Neely Johnson.

Miles Collier, state park commissioner, is calling upon the legislature to provide a more adequate budget for upkeep and expansion "to insure a system of state parks worthy of the name."

Cinematic Chatter

By Malcolm Millar

Hello everybody! College-bred actress Coleen Gray, as tasty a dish as has ever been seen on the silver screen, proudly boasts her ability to carry five plates of soup without using a tray or spilling a drop. A part-time waitress while attending Hamline University at St. Paul, Minnesota, the talented lass held this "precarious" job to help pay her way through school. Aside from having cares about tuition, Coleen devoted much time at college to studying music and literature. It was through literature that she first became interested in drama. During her senior year, Coleen added dramatic art to her studies, tried for a part in the University's production of "Letters to Lucerne" and landed the second lead. After obtaining her Bachelor of Arts Degree, she went to live in Los Angeles where she continued her education by taking a post graduate course at the University of Southern California. Amidst her studies she found time to enroll in a drama school and soon played leads in a number of amateur shows. Her performance in one of these—a play called "Brief Music"—was spotted by a film talent scout, and after a screen test she was awarded a contract. Despite her success in films Coleen isn't taking any chances with her future. With a

twinkle in her eyes she asserts, "I'm keeping in training carrying five plates of soup at one time just in case I ever have to go back to it as a career." See you at the movies—Mal.

O. B. McClure Is Recommended For Rotary President

O. B. McClure, pioneer vegetable grower and former Pahokee mayor, has been recommended for the presidency of the Pahokee Rotary Club by the club's nominating committee, according to the report given by Thurmond W. Knight, committee chairman, at the Thursday luncheon meeting of the club last week. The club also recommended Thaddeus Whidden for the office of vice president; Oscar Dobrow, secretary-treasurer; L. L. Shirley, W. J. Adams, J. F. Waddell and Edwin Rice, directors. Election of new officers will be held at a latter meeting in March when nominations will also be received from the floor.

Guest speaker was J. Wayne Reitz of Gainesville, provost of agriculture at the University of Florida. Introduced by M. J. Mounts, Palm Beach County agricultural agent, he gave a talk on "Agricultural Education, Research and Extension Work at the University of Florida." In his talk he compared the agriculture income in Florida of 35 million dollars in 1900 to the 500 million dollars received for Florida agricultural products in 1951. He also said that in 1951 the extension service at the University of Florida reached 93,000 families, and approximately 28,000 boys and girls participated in 4-H Club work directed through the university's extension service. Rep. B. Elliott was in charge of the program.

It was announced the club was to dispense with its regular meeting scheduled for Mar. 5, since Pahokee Rotarians were to attend the intra-county Rotary Club meeting to be held at Indian Trail Ranch near Loxahatchee Tuesday, Mar. 3 under the sponsorship of the West Palm Beach Club.

County Commissioner Paul Rardin introduced as guests John H. Clausey of West Palm Beach, John S. Slevat of Lake Worth, J. F. Solley, Jr., of Baltimore, Md., Ralph Freeman, Roscoe Braddock and D. R. Kemper, all of Belle Glade, and Herb Worth, local Wildlife officer.

Reporter Stumped By Trampoline

The announcement that several men of the Pahokee High School faculty all 30-years or older, are willing to suffer the aches and soreness resulting from strenuous unaccustomed exercises and play in a benefit basketball game to raise funds for the purchase of a trampoline for the high school physical education and city park recreational programs sent a reporter from The Everglades News to Coach Bill Howard with the question, "What is a Trampoline?"

Howard, shocked by our reporter's ignorance, rubbed his nose reflectively and said, "Have you ever been at a circus or a vaudeville show and seen an acrobat doing some amazing stunts on what looks like an oversized army cot, such as jumping high into the air, turning flipflops and landing on his back unhurt? If you have, you saw the man performing on a trampoline."

"The trampoline consists of a heavy canvas attached with springs to a strong frame, thus providing a bounding net that gives the person performing on it the nearest sensation of flying can be experienced on a piece of recreational equipment."

"Once relatively unknown and reserved almost exclusively for the use of circus performers, trampolining is fast becoming a very popular recreational activity throughout the United States. It probably has more appeal to all ages of persons than any other gymnastic activity because anyone, from two to 70 years, can enjoy the exhilarating sensation that results from bouncing on a trampoline with perfect safety after a few lessons of instructions. The

springs not only give the trampoliner its bounce but they also cushion the falls."

Burstein - Mindlin

Plans have been announced for the wedding of Miss Elena Burstein of Havana, Cuba, daughter of Mr. and Mrs. Morris Burstein of San Cristobal, Cuba, and Karl N. Mindlin, Pahokee merchant, which will be held at the Biscayne Terrace Hotel in Miami Sunday, Mar. 8, at 7 p. m.

Mrs. Raquel Arons of Hampton, Va., sister of the bridegroom, will be Miss Burstein's only attendant. Murray Lis of Miami will serve as Mr. Mindlin's best man.

The bride-elect is a graduate of the Institute of Havana and the Havana Business College.

Mr. Mindlin, son of Mr. and Mrs. I. Mindlin of Pahokee, also was graduated from the Institute of Havana. He served for three years in the U. S. Air Force with overseas duty in Europe and North Africa.

Following their wedding trip the couple plan to make their home on Annona Avenue in Pahokee.

Three Million Dollar Plant For Mulberry

MULBERRY—The F. S. Royster Guano Company of Norfolk, Virginia announced plans this week for the construction of a three-million dollar plant near here for producing triple superphosphate.

The plant, which is expected to be completed early next year, will be capable of producing 70,000 tons of refined phosphate annually.

The company is among the nation's largest fertilizer manufacturers having 20 plants in 11 states, and is one of the largest owners of phosphate lands in Polk County.

The site for the new plant is one and a half miles east of Mulberry near the location of the Bonnie Lake operation of the International Minerals and Chemical Corporation, officials said.

The newest airplane in Florida skies, the Super Convair 340, recently took Delta Air Line officials and employees on preview flights. The 44-passenger plane is the first of Delta's new Convair fleet.

Working always to serve Florida better.

Last year Southern Bell installed 56,204 net additional telephones in Florida, raising the total number in this State to 561,771.

Some of the added telephones are right here in this Community. You probably know some of the new subscribers.

That's why telephone progress means something to you. As more telephones are added, you can get in touch with more people you know and more people you need. Thus your own telephone increases in usefulness and value to you.

Defense is your job, too!

THIS IS A DAY OF DREAMS COME TRUE... for the returning Korean War veterans pressing against the ship's rail and for their loved ones waiting on the dock. The counted days of waiting are over; the nightmare of war is behind them. These boys have seen far across the seas doing a hard, dirty, bloody job... a job of defense—for you.

But defense is your job, too. It is our job to help make America's economy as strong and dependable as these men have made her military power. And your job can be not only easy but rewarding—in financial security for you and your family. Just buy U. S. Defense Bonds. Buy them now and buy them regularly. For your bonds and other forms of saving can make America strong. And in this warring world, *strength* is America's surest guarantee of peace.

So sign up for bonds today—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank. For your security and your country's, too, buy United States Defense Bonds regularly!

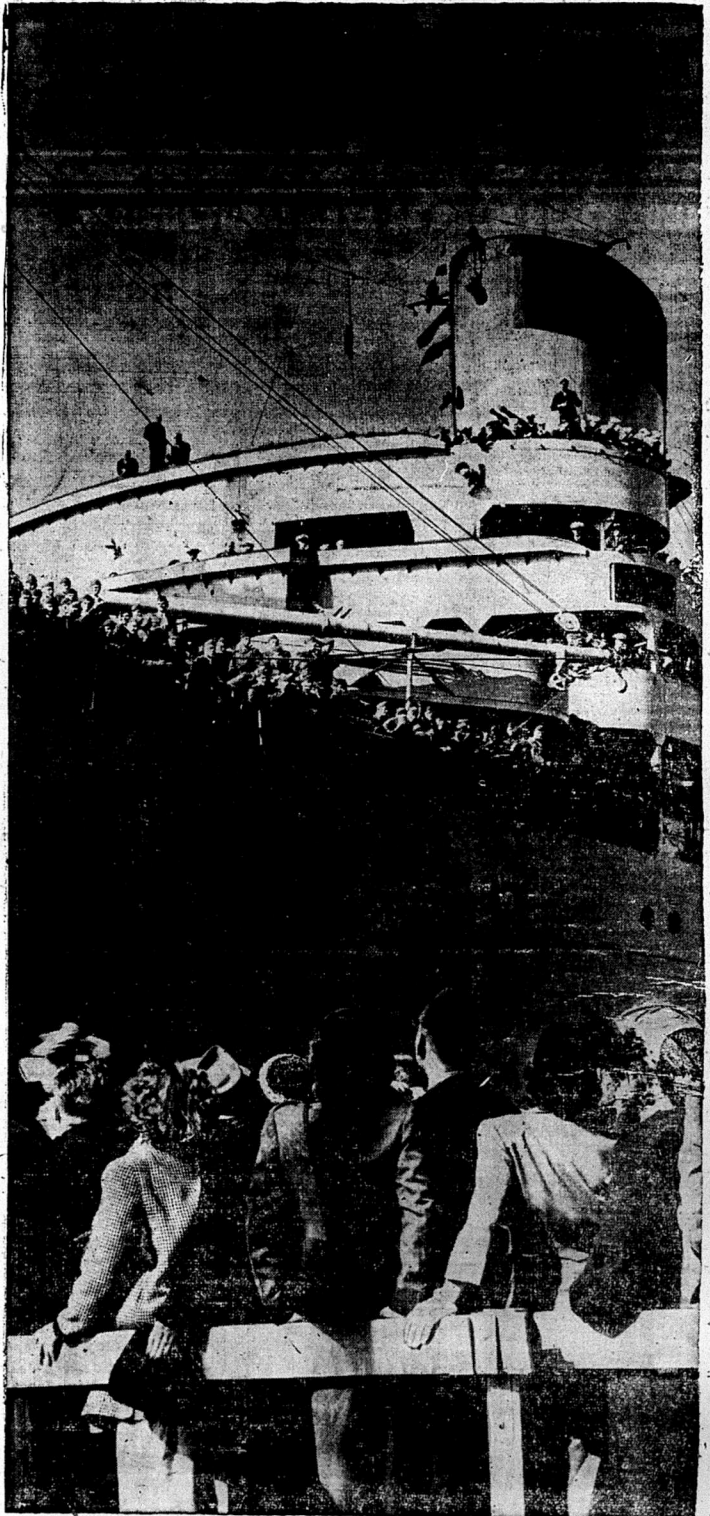

The U. S. Defense Bonds you buy give you personal financial independence

Don't forget that bonds are now a better buy than ever. Because now every *Series E Bond* you own can automatically go on earning interest every year for 20 years from date of purchase instead of 10 as before! This means that the bond you bought for \$18.75 can return you not just \$25—but as much as \$33.33! A \$37.50 bond pays \$66.66. And so on. For your security, and your country's too, buy U. S. Defense Bonds now! Bankers recommend them as one of the safest forms of investment.

This means more money to you!

**NOW YOUR U. S. SERIES E BONDS CAN EARN INTEREST
10 EXTRA YEARS**

ALL YOU WISE and patriotic people who bought United States Series E Bonds ten years ago and have held them can benefit by this new law! For according to this law the bonds you expected to mature finally in 1952 can now continue to earn interest every year for ten more years—till 1962—without your even lifting a finger!

To get this extra money, there's absolutely nothing you have to do. Just hold your bonds and let them go on earning!

If you wish, you may still cash any Series E Bond at any time after you've owned it for sixty days. But you'll be better off to hold your bonds, just as you're better off to hold savings in any form.

First of all, as long as you don't cash your bonds, you don't have to pay income tax on the interest they earn. In the second place, cash in the pocket melts away fast—often with little or nothing to show for it. But cash in bond savings is always there—growing steadily toward the big sum which can buy something really worthwhile. . . . And remember—the interest rate on Series E Bonds has been increased to 3% compounded semi-annually, when held to maturity.

So if you have bonds coming due, why not take advantage of your extra-income opportunity? Just sit back and let them go on mak-

ing more money for you. And meanwhile keep adding to your cash savings by buying more U. S. Defense Bonds regularly—through the Payroll Savings Plan where you work. It's the easy, systematic saving plan that's so helpful because it lets you save *before* you even draw your pay. Thousands on the Plan say, it's the one sure way to save.

3 NEW MONEY-MAKING OPPORTUNITIES FOR YOU!

*New Series H, J, and K
Defense Bonds pay 2.76% to 3%!*

If you want to get the interest on your bonds in the form of current income, or if you want to invest more than the annual limit for E Bonds, ask at any Federal Reserve Bank or Branch about these new bonds:

SERIES H. A new current income bond, available in denominations of \$500 to \$10,000. Sold at par. Matures in 9 years 8 months and pays approximately 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Annual limit, \$20,000 maturity value. Issued only by Federal Reserve Banks and Branches and at the Treasury.

SERIES J. A new 12-year appreciation bond, available in denominations of \$25 to \$100,000. Sold at 72% of par value. Pays 2.76% compounded semiannually if held to maturity. Annual limit, \$200,000 issue price jointly with Series K Bonds.

SERIES K. A new 12-year current-income bond in denominations of \$500 to \$100,000. Pays interest semi-annually by Treasury check at the rate of 2.76% per annum. Sold at par. Annual limit, \$200,000 issue price jointly with Series J Bonds.

Christian Science Group Of Canal Point

That blessedness, freedom, and dominion constitute man's heritage is the keynote of services to be held in all churches of Christ, Scientist, next Sunday when "MAN" is the subject of the Lesson-Sermon.

The Golden Text is from Psalms (84:12): "Blessed are they that dwell in thy house: they will be still praising thee... O Lord of hosts, blessed is the man that trusteth in thee."

Bible citations will include the following from Genesis (1:27): "God created man in his own image, in the image of God created him: male and female created he them."

Passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "The Scriptures inform us that man is made in the image and likeness of God. Matter is not that likeness. The likeness of Spirit cannot be so unlike Spirit" (p. 475).

WSCS To Sponsor Turkey Dinner

The Woman's Society of Christian Service of the Canal Point Methodist Church will sponsor a turkey dinner in the County Park community building at Canal Point Friday, Mar. 20, from 6:30 to 8:30 p. m. Proceeds from the supper will go into the fund the WSCS is raising to furnish the pulpit of the new church building.

Alex Raney of Memphis, Tenn., recently purchased 4,000 acres of land adjoining the Armour Ranch, formerly the S. J. Jones farm. The land was purchased from Joe Lopez and associates of the Fells-mere Sugar company.

Dalton - Mashburn

Announcement has been made of the engagement and approaching marriage of Miss Barbara Anne Dalton, daughter of Mrs. Alton Humphrey Dalton, former Pahokee resident now living at 1585 Linden, Memphis, Tenn., and the late Mr. Dalton, to William Eugene Mashburn, son of Mr. and Mrs. L. Roy Mashburn, also of Memphis.

The bride-elect, granddaughter of Mr. and Mrs. Joseph Brown Crosby of Pahokee, is a graduate of the Memphis Central High School and received a BS degree from Memphis State College. While attending college she was president of the Baptist Student Union, pledge director of Phi Mu Sorority, a member of the Arabesque Society and was selected for Who's Who among students of American Colleges and Universities. She also took an active part in musical productions at college, sang in the MOAT and was chosen an alternate to Miss Memphis of 1951.

Mr. Mashburn was graduated from Memphis Technical High School and attended Memphis State College. He served in the U. S. Navy during World War II and at present is co-owner of the Sport Hobby Shop in Memphis.

Plans are being made for the wedding April 25.

REPEAT SHOW TONIGHT

The show, "Flying High," got off to a good start last night at Canal Point School auditorium. The comedy was good. The reviews, dances and music lent a professional touch to the show and pleased the crowd. A repeat performance will be given again tonight at 8:09 o'clock.

P.S. HEATING HOMES ELECTRICALLY CAN OVERLOAD YOUR ELECTRIC SYSTEM

Using electric ranges and spot heaters to heat homes can overload electric lines, dim your television, blackout whole neighborhoods by blowing out transformer fuses. We have expanded our electric system tremendously — upped production facilities to nearly three times our VJ-Day capability! There's plenty of electricity for all uses except house heating. There aren't enough cold days to justify designing it for that.

Lions Complete Plans For "Flying High"

Canal Point Lions at their dinner meeting in the community hall Monday night completed plans for the benefit play, "Flying High".

which they will present in the school auditorium on the nights of Mar. 5 and 6 at 8 o'clock.

Delmar Hooks, Oliver Sheppard, Grady Boynton and the Rev. James R. Roy were named on the committee in charge of ticket sales. The club made arrangements for a ticket booth at the Pahokee Fair. The Rev. and Arnold Barad will have charge of this booth.

As a publicity stunt to stimulate ticket sales the club signed Wednesday as "ladies hat day" for club members, every Lion required to wear a ladies hat and those caught without the required head gear were subject to a fine the purchase of one ticket to the play. The club plans to use proceeds for playground equipment.

Polk Cattlemen Approve U. S. Plan

WINTER HAVEN—Directors of the Polk County Cattlemen's Association have voted full support to the U. S. Animal Husbandry and the State Livestock, Sanitary Board in their program of testing at least 10 per cent of the county's cattle for tuberculosis. The action came after a conference of cattlemen with members of the state board.

STRAWBERRY QUEEN

PLANT CITY—Attractive blond Ruby Jean Barker was chosen the new Queen of the Florida Strawberry Festival at Plant City last week. The 17-year-old Plant City High School girl was so overcome that she wept when the coveted crown was placed on her head. The contest climaxed the most successful Strawberry Festival in the history of this colorful event.

Junior Class Enjoys Outdoor Party

Members of the Pahokee High School Junior Class enjoyed an outdoor party and hamburger fry at Rep. B. Elliott's ranch near Okeechobee City, with Mrs. F. M. Wilson and Mrs. J. T. Platt, room mothers, and Miss Connie Smith, faculty, sponsor, attending as guests of honor.

To finance the party the class used the \$15 bonus it received in the recent magazine subscription contest for selling \$1,252.80 in subscriptions, well above the thousand-dollar mark necessary for a bonus.

Four members of the class, Donald Pickett, Bonnie Miller, Charline Stuckey and Donna Gail Jensen, were awarded trophies for outstanding salesmanship in the contest and certificates of achievement were issued to Wayne Burdshaw, Frances Wilson, Edwin Stuart, Carol Jo Guthrie, Bonnie Faye Meeks, Ted Echols, Arlene Rainier, Shirley Ammons, Carol Carpenter, Frances Crews and Jimmy Schuettler.

Ninety-three years ago George Huntington Hartford founded the great A&P food store chain with the slogan: "Give our customers the most we can for their money."

The U. S. exports about 55 per cent of its total rice crop, according to the research department of the Florida Farm Bureau. It also sends 35 per cent of the total cotton crop and 45 per cent of the wheat crop.
